

Roosevelt Sweeps Nation for a 4th Term

Armistice Will Be Observed Saturday

Business Houses Will Be Closed

Full Program For Nov. 11 Armistice Day Will Be Directed By Post

Ross Rogers, former Mayor of Amarillo and the Pampa Army Air Field Band are the highlights of the Armistice Day program to be sponsored by the Palo Duro Post and Auxiliary Unit Saturday, November 11.

Veterans of World War I and World War II with their families will meet at the Legion Hall for breakfast at 8:00 o'clock.

Everyone in this vicinity is invited to join the veterans and their families at the band stand at 9:30 when Rev. Robt. W. Jones, post chaplain, will lead the community memorial service.

Following the memorial service everyone, who wishes to see the building that is ready for the veterans of World War II to use upon their return, is invited to inspect the Legion Hall, from basement to game room.

Funds for furnishing the reception hall are still coming in every day. It is hoped that by the time good furniture is available this fund will be sufficient to furnish the Legion beautifully.

At 10:45 a. m. the Pampa Air Field Band will open the Armistice program with a concert.

West Texas State College students and faculty members led by the college band will join in the 10:45 service.

Ross Rogers, former mayor of Amarillo, will deliver the principal address at 11:05 o'clock.

Every one is given a cordial invitation to attend these services.

In the afternoon the West Texas Calves will play the Happy Cowboys at the Buffalo Stadium. The game starts at 3:00 o'clock.

Business houses in Canyon will be closed Saturday all day for the Armistice observance.

Four Canyon Boys Get Together in Italy For Visit

Four Canyon boys who left Canyon at different times, trained in different units in different states, left the United States at different times have met in the same Unit 15th A. T. in Italy.

Lt. Roy N. Byrd and Sgt. James Thomas Harp are in the 46th group. Lt. E. Burroughs is in the 464 group which is a part of the 55th wing, the same at 465th. Lt. Hud Prichard is in the same unit and only a short distance from the other boys.

Sunday, Oct. 22 all the boys got together for a real old-fashioned talk.

Funeral for James M. Golden Was Held Here Saturday p. m.

James M. Golden, 61, died Thursday afternoon at an Amarillo hospital. The family had lived in Canyon for two years.

The funeral was held Saturday afternoon at 2:30 o'clock at the Church of Christ conducted by Elder Fox and F. M. Griffin. Interment followed in Dreamland Cemetery in charge of the Griggs-Warren Funeral Home.

Survivors are: the wife, Mrs. Myrtle Golden; four daughters, Mrs. W. M. Griffin of Canyon, Mrs. Bud Frazier of Canyon, Mrs. Jewell Frost of Washington, Mrs. Emma Collins of California; three sons, Ruel Golden of Sudan, Cleo Golden in the Sea Bees, Leo Golden of Canyon, four sisters, Mrs. E. M. Conden of Houston, Mrs. J. G. Shelton of Colorado, Mrs. Roy Phillips of Colorado, Mrs. Nan Ladd of Fort Worth.

Bob Stevenson, brother of T. S. Stevenson, of Silverton died at his home Sunday afternoon after an illness of several months.

Bob Stevenson Died in Silverton

Mr. and Mrs. T. S. Stevenson and S-Sgt. T. S. Stevenson, Jr., who is stationed at Amarillo Air Field, went to Silverton Tuesday to attend the funeral.

Mr. and Mrs. R. D. Lowry spent Sunday in Clarendon with their son E. D. Lowery and his family.

S-Sgt. Scott Here Visit to Parents

S-SGT. JACQUELINE SCOTT
S-Sgt. Jacqueline Tabor Scott, daughter of Mr. and Mrs. Guy B. Tabor, is spending a week's furlough here visiting with her parents, her sister, Mrs. Harley L. Stone, and her nephew, Tabor Rodger Stone.

Sgt. Scott has been in the WACs for 21 months. More than 20 months of that time she has been stationed in Washington, D. C., where she works with the War Department. She will return to her post at Ft. Myer tomorrow morning.

Her husband 1st Sgt. Jimmie Scott, is stationed somewhere in England with the 121st Base Hospital.

Third Birthday of Triplets is Observed Monday

Monday afternoon The News office was visited by the Adams triplets who were celebrating their 3rd birthday.

Carroll, Darroll, and Harroll, sons of Mr. and Mrs. W. U. Adams, live with their parents and two brothers, Kenneth 13 and La Dean, 9, on the George Small place 5 miles west of town.

Although Mr. and Mrs. Adams have been in this vicinity only a month these youngsters of theirs are perfectly at home in Canyon. Two of the boys have brown eyes and one has blue. They are specimens of perfect health. When one sees or wants anything the other two immediately comment on the same thing.

In addition to seeing after her own five boys and the multiplicity of duties of a farm homemaker, Mrs. Adams finds time to care for a small niece while her sister is working at Pantex.

Mrs. Bob Parsons left Thursday night for Ft. Jackson, S. C., to visit with her husband, Pfc. Bob Parsons, for an indefinite time. The young daughter is staying with her grandparents, Mr. and Mrs. Smith, in Wellington.

City Signs Up on Street Work

State Will Take Over Streets, Thus Saving the City \$2,500 Repair

The City Commission has signed a contract with the State Highway Commission for maintenance of the streets of Canyon which are part of the state highway system. Fourth Avenue from the city limits east of the College to 11th Street, and then north to Highway 60 are covered by this contract.

The question of parking along these streets was not made final at the meeting Monday night. The city commission will await the final acceptance of the State Highway Commission to the agreement entered into Monday. It is likely that paralleled parking will be compulsory on all of the streets affected by this contract. It is certain that limited parking will be necessary through the business section in order to meet the requirements of the contract.

When the state accepts this agreement, the city will be relieved of the expense of upkeep on these streets. It will cost at least \$2,500 to put these streets back in first class condition.

Pvt. Hernandez Reported Killed European Sector

Pvt. Benino Hernandez is reported killed in action in Belgium. Pvt. Hernandez was accepted in the army January 21, 1943. He is the son of Mr. and Mrs. Rosalio Hernandez of Canyon. He is survived by his parents, one brother in the service, four other brothers and three sisters.

Two Rains Added Moisture for the Benefit of Wheat

Two rains have fallen this week, adding 53 of an inch of moisture. Rain amounting to 40 of an inch fell Monday evening. Most of the rain fell in Canyon within half an hour, coming down in sheets. Outside of Canyon the rain fell more gently.

A light rain, which amounted to .13 of an inch, fell Wednesday morning.

This brings the total moisture for the year up to 27.38 inches. Since most of the feed crop has been harvested, many farmers were glad to have these rains for the benefit of the wheat crop.

Mrs. Elver Brown, the former Lillian Chambers, visited Sunday evening in the Warwick home. She was accompanied by her sister, Mrs. Elmer Patterson of Hereford. Pvt. Elver Brown is in England and Mrs. Brown is staying in Hereford.

PRESIDENT ROOSEVELT

VICE PRESIDENT TRUMAN

Teachers To Go to State Convention Nov. 24

Mrs. John Davis, of the Canyon public school staff, will attend the Texas State Teachers Association meeting November 24 in Fort Worth as the uninstruted delegate of the Randall County unit of the state organization. This decision was made at a meeting of the unit Monday afternoon, with the entire faculties of the college and public school present.

Miss Novella Goodman was elected president of the Randall County unit for the following year. Other officers are Dr. T. M. Moore and Mrs. Dan Sanders, vice-presidents. Mrs. L. M. Cousins, secretary, and F. W. Haggard, treasurer.

On the program Monday was Superintendent J. B. Speer, who discussed amendments to the Association constitution. Dr. A. M. Meyer, who reported on impending federal and state legislation touching education, and President J. A. Hill whose subject was "The Outlook for the Teaching Profession."

The next meeting will be held in late February or early March.

Paul Lindsey Is President of School Trustees

Paul Lindsey has succeeded Dr. Harris M. Cook as president of Canyon School Board.

Dr. Cook, who is Rotary Governor of this district, is away from home a considerable part of the time looking after the clubs of the district. In view of his heavy duties he resigned as president but will continue as a member of the board.

Mr. Lindsey has been a member of the board for several years. He has been serving as vice president and was elevated to the presidency by members of the board.

Mother of Mrs. Alice Black Died At Clinton Wed.

Mrs. C. E. Caraway of Clifton, Texas, mother of Mrs. Alice Black, died at her home in Clifton Wednesday, Nov. 1. Mrs. Caraway had been in poor health for several years but became serious about five months ago. Her death however was sudden, following a stroke.

Mrs. Black left Thursday for Clifton to attend the funeral and returned Sunday night.

Mrs. Caraway made her home in Canyon a number of years ago.

STORK SPECIAL

Mrs. T. M. Thurmon spent the week end in Plainview with her husband who is there on a repair job on the pipe line.

Randall County Goes to Champ

Electoral and Popular Vote May Reach That of 1940 Is the Prediction

President Roosevelt was swept back into office Tuesday for his 4th term. The majority will practically equal that of 1940 according to predictions made yesterday by election officials.

The President carried back into office a majority of both the Senate and the House. Republicans had expected to carry the House by a small margin.

The President was leading yesterday in 34 states which have a total electoral vote of 407. Dewey was leading in 14 states, with 124 electoral votes. The President had a lead of 2½ million popular votes.

The soldier vote will likely not change the results in the so-called margin states. This vote will not be completed for several days.

Dewey conceded his defeat early yesterday morning and asked all the nation to get behind the President.

Randall county followed the lead of the nation with a very heavy vote. 2120 votes were cast for the presidential electors as compared to 2061 cast in 1940. In view of the fact that nearly a thousand men and women are in the service and few of them voted in this election, the percentage of vote for 1944 was far above that of 1940.

In Tuesday's election, Roosevelt received 1439; Dewey 418; Texas Regulars 263.

In 1940 Roosevelt received 1779; Willkie 382. The protest vote against the President this year was greater than in 1940. There are only about a dozen regular members of the Republican party in the county.

Governor Stevenson received 1932 to 119 for Peasley, the Republicans giving the Governor a lead of 493 above the President.

All of the constitutional amendments carried in Randall county and are reported to have carried over the state. The votes were:

City pension plan: For 746; against 427.
State pension plan: For 684; against 428.
County tax plan: For 687; against 348.

Brother of Mrs. R. P. Jarrett Died Funeral at Dallas

Augustus J. Howard, 55, died Sunday at an Amarillo hospital. He had been sick for several weeks and came here from Dallas for treatment. He was a brother of Mrs. R. P. Jarrett.

The body was taken to Dallas Monday by the Griggs-Warren funeral home. The funeral was held Tuesday morning at 10 o'clock.

Mr. Howard has been in the drug business in Dallas for more than 20 years. He was a 32nd degree Mason and Veteran of World War I.

Surviving are his wife, Mrs. Louise Howard; one son, A. J. Howard, his sister, Mrs. Jarrett; one brother, J. H. Howard of Dalhart.

President Hill Will Serve on Ethics Committee

President J. A. Hill has been recommended to serve on the Professional Ethics Committee of the National Education Association. This recommendation was made by the Texas State Teachers Association of which Dr. Hill is a life member and a past-president.

In serving on this nation-wide committee, the president of West Texas State will be extending the circle of people who know something of his college, while doing his part in the solution of the problems which confront education in the United States.

Missionary to Hold Forum Thursday at Christian Church

Fay E. Livengood, a missionary from India will be guest of the Christian Church on Thursday, Nov. 16. He will conduct a forum at the Christian Missionary Society meeting at 4 p. m. on that date and will speak at the church at 8 p. m. Visitors are welcome to both these meetings.

Mr. Livengood has had recent experiences in India which are of great interest to the general public.

Mrs. Ella Falls from Jefferson, Mo., has moved to Canyon to make her home with her niece, Mrs. T. W. Ziegler.

WEST TEXAS STATE LOOKS AT FUTURE

Our Obligation to Returning Veterans

Dr. J. A. Hill, President

(Second of a series of articles directed to the people of Canyon and Randall County).

West Texas State determined after Pearl Harbor to make every possible contribution to winning the war. To that end we have given more than 1,000 men to our armed services and have given specialized training to some 1,700 officer candidates in the Army Air Forces. In fact, the list of our services is too long to record here. Now that our boys are beginning to return we are not going to let them down in the matter of education and vocational training. Hence we are providing a wide range of opportunities for our soldier boys by which they can quickly prepare themselves for effective normal living. Courses follow:

1. Accounting—Bookkeeping, Machine Bookkeeping, Elementary Accounting, Cost Accounting, Analysis of Financial Statements, Oil Production Accounting, Federal Tax Accounting, Auditing, C. P. A. Problems, Government Accounting, Advanced Accounting, Development of Accounting Theory.

In addition to the above vocational subjects we shall continue to carry on all of the regular functions which we have performed through the years, including teacher educa-

tion, liberal arts courses and professional courses.

These opportunities at West Texas State are available to all returning service-men free of charge, through the Veterans Administration of the United States Government. We are prepared to give complete, authentic information on all phases of this service and urge parents, friends, American Legion members, Selective Service boards, city, county, state, and federal officials, and all other concerns to get this word to the returning service-men just as quickly as possible.

Miss Robinson Attends Funeral of Father

Miss Isabel Robinson, head of the Art Department received word Tuesday morning that her father had died at their home in South Gifford, Missouri. She left Canyon Tuesday afternoon to attend the funeral.

During her absence the work of the department is being carried on by Mrs. Hester Gates Morgan, and Mrs. Latrice Jessee, a graduate student.

Election Sawdust

When you do a construction job, or tear down an old building, a lot of sawdust and dirt gets in your eyes.

The same is true in any election. Sometimes the dust and dirt is so great that you are unable to see the real objectives in what you are doing, or attempting to do.

There has been more dirt in this election than America has experienced in a long time. We hope that the real objectives have not been obscured by all this trash.

This is written before the election, and therefore has no bearing on the decision of the voters of Tuesday.

Confidentially, we expect to see a landslide. While the various polls show Roosevelt and Dewey to be running neck and neck, the usual variance will probably swing in the same direction, and the election will likely be one-sided so far as electoral votes are concerned, regardless of the total popular vote.

We hope by 1948 the Electoral College will be abolished so that every person will vote directly for the candidate of his choice.

The News has been rather active in this campaign. We like to discuss politics. We believe that it is the duty of every newspaper to give its readers the facts as the publisher sees them.

This newspaper has never attempted to influence the vote of any individual, but simply printed the facts as they were brought to us. Each individual has the right to go to the polls and express his own choice, regardless of the opinion of others.

Some ardent New Dealers in Randall county have been considerably upset because The News has opposed the administration. Harsh words have been said about the newspaper because of our stand. Not one single word of criticism has ever been printed about any citizen for expressing his own opinion in this campaign. Every New Dealer has the right to believe as he believes, the same as those of us who oppose the New Deal have a right to our belief.

We are quite sure that the New Dealers like to have a newspaper which is not afraid to express an opinion upon questions so vital to the future welfare of the nation, even though these opinions do not agree with the New Deal standpoint.

A spineless, opinionless newspaper is cursed by more people and read by fewer people than the newspaper with an opinion.

The right to free speech is guaranteed by our constitution. The English have a very satisfactory government since the opposition is encouraged to speak its mind.

In contrast to this point of view, the people of Texas should be humiliated and thoroughly ashamed of the treatment given Senator O'Daniel at Houston the other night.

A small section of ardent New Dealers went to the Senator's meeting for the sole purpose of breaking up the meeting. They used the strong-arm methods of boos, hisses, eggs and tomatoes. This was mob law in its worst form.

As every reader knows, The News has never supported Senator O'Daniel in any of his campaigns. But the people elected him Governor and elected him United States Senator. His popularity has been fading since he was sent to Washington.

Yet, the hoodlums of Houston performed a wonderful service for restoring the popularity of O'Daniel. Mob law never paid. This group of over-zealous New Dealers will find that O'Daniel is a stronger man with the people than ever before.

There is no longer a paper shortage. The campaign proved this. However, there may now be a real paper shortage following the waste of millions of tons which have been wasted in this campaign. Our guess is that 90% of all the stuff which was printed up during the campaign never changed a single vote.

What became of Falla? After the President's first attempt to make a campaign issue of his dog, this multitudinous issue was dropped.

Newspapers of Texas should be grateful to the Texas Regulars for the advertising which was placed in all newspapers the past month. The Democrats and Republicans alike ignored Texas newspapers until the Texas Regulars injected some life into the campaign and caused a lot of profitable advertising to be placed in all papers.

You may now turn on your radio and hear your favorite program. The radio stations certainly "cleaned up" on this campaign, since every politician made his appeal to the voters.

America will have made its choice before this is printed: And may the best man have been elected. May the President be able to straighten out the terrible international mess so as to insure permanent peace abroad as well as a degree of universal prosperity at home.

He will have a whale of a job on his hands—but both Roosevelt and Dewey promised these things.

One defeat does not win a war. Germany has been defeated time and again, but is still able to hold out. We have just started to win decisive victories over the Japs; but have a long way to go. Let's follow the military leaders, rather than listen to the piping off of politicians.

The German system must be crushed before there is hope of permanent peace. The News stated many times at the beginning of the war that the German people were not to blame for the war. We have changed our minds. The German people have tolerated and made possible Hitler and his gang, and they are therefore to blame for the war. They are harboring the worst criminal class that the world has ever seen. This class must be destroyed or it will destroy civilization. The German nation has submitted to a program of destruction on all surrounding nations which might hamper the German growth in years to come. Furthermore, the German women are raising millions of strong, healthy babies in preparation for another war, while the babies of conquered lands are being systematically starved to death under the direction of the Hitler machine. The German atrocities of the war shock the people of this world. We were led to believe in 1918-19 that the stories of atrocity of the first war were manufactured for the purpose of making the people mad and causing them to get in and fight. The stories of atrocities of this war are being proved without a shadow of doubt. They are truth, which show just what kind of a nation the German people have degraded into under the leadership of Hitler and his leaders. The system must be destroyed in order that the peace of the world may be guaranteed.

More trouble down at Austin. The Board of Regents of the University of Texas have fired President Homer P. Rainey; installed an acting president; and several of the regents have resigned in protest. The students marched on Governor Stevenson, who advised them to take things easy until an adequate investigation could be made. Stevenson is not one to be stampeded. Perhaps both Rainey and the regents have an equal responsibility in this affair. It is indicated that the regents have been attempting to exert too much executive power; while the president has been ignoring entirely the authority which the regents have over him. The facts should be closely investigated. The Governor now has the opportunity to appoint a board of regents whose members have the welfare of the university at heart. Personalities should be submerged for the welfare of the university and the state. The university is too great an institution to be sacrificed for the selfish ambitions of men.

Another fight will be made on the middleman. The government is encouraging this fight in the belief that it will hold prices down. Ever since business started, various attempts have been made to eliminate the middleman. But middleman practices continue, regardless of what people think, or think that they think. There may be somewhat of an economic waste in the middleman. But until a better system of distribution is devised, the middleman will remain a fundamental part of our business set up. No business system is perfect, as everyone knows. The idealistic plan for the producer to sell everything to the ultimate consumer has its handicaps, to a greater extent than the middleman system.

Many employees are becoming restless. The law provides that returning veterans may get their old jobs back. This provision is to forestall wholesale unemployment of veterans after the war. But when workers of today are forced to give up their jobs to these veterans there will be much dissatisfaction. Patriotism disappears when jobs are at stake. War plants will be closed before the GIs return, and discharged workers will be trying to take care of themselves before the veterans come back to old jobs. Washington authorities will have plenty to worry about as an aftermath of the war.

We have been told by Selective Service that there was an ample amount of food on hand; therefore, they are taking all young men from the farms. Now farmers are advised to increase their production for 1945 by 10%. With all the young farm hands being taken into the army; with no farm equipment in sight; just how is this objective going to be accomplished? The farmers have accomplished an almost impossible job by increasing their production under adverse conditions. How long will they be able to continue this?

The 20 million white collared workers of America will get another slap soon. As soon as Germany is defeated AFIL and CIO will withdraw their no-strike pledge in order to force the government to abolish the little-steel formula. They will demand more money, which will bring more deflation, which will further depress those on fixed salaries which cannot be raised.

We heard a speaker making light of our national debt of \$2,000 for each man, woman and child. His position was that it was immaterial because we owed it to ourselves. Such statements are bosh. If each individual owes a debt of \$2,000, what difference does it make who holds the note? A debt is a debt and must be paid off or repudiated. Such statements sound fearfully like the speaker was in favor of repudiation in order to wipe out our national debt.

The situation in China is deplorable. General Stillwell was moved because he could no longer endure the international mess of warlords, grafters and factions who are fighting among themselves, rather than fighting the Japs. Chiang Kai-shek is now being pictured as another selfish war-lord who is more interested in perpetuating himself in control than he is in winning the war against Japan. The truth of the situation may be months in developing.

The nation lost 540,000 business firms in 1943. Several thousand of these were newspapers. Manpower and shortages of all kinds were responsible. Each of these losses mean an economic setback to the community in which the businesses were located. Most of these businesses will come back after the war, unless government regulations are too harsh, and taxes are not prohibitive.

Canyon will close up for Armistice Day. The day will commemorate the close of World War I, but the chief objective is for citizens to contemplate the terrible loss of this war, and to lend every effort to the early close of this war.

No man can go to Heaven unless his heart has been there before.

Necessity may be the mother of invention, but curiosity is the child of envy and idleness.

Going to church can't hurt you, and staying away can't help you.

Buffaloes Defeated Lubbock Flyers Friday Night by Score of 14 to 12

Bledsoe Kicks Goal For Two Points Victory Over LAAF

It was before a small but awe-inspired crowd gathered in the Buffalo Stadium that one of the biggest upsets of the season occurred—the defeat of the Lubbock Army Air Field delegation by the West Texas Buffaloes. Yes, the "Hustlers" put on a show that will not, and cannot, be forgotten for a long time, with a final score of 14 for the Buffs and 12 for the LAAF's stamped on every spectator's mind.

The home defenders were lead by one of the Lockney, Texas, greats, and now one of the Buff greats of all times, Curtis Kelley. This 190 pounds of fighting spirit and flesh took the initiative early in the game and inflicted too much damage on the "Flyers" for them ever to recover. Backed by team-mates, who, every one, played a bang-up game, Kelley starred justly in his turn to put himself on the shelf with the other Buffalo stars. No one can deny, however, that without blocking he could never have done what he did in the running department. But with a combination of fine down-field blocking, interference, and Kelley's being able to follow it so effectively, the Buffaloes marched on to victory.

Bufs Drive Hard

No player can be left out as far as the conquest is concerned, for it took the driving spirit of cooperation of all to do the job well. That is just what they did, too, and they showed the on-lookers that they were a team of poise, and culture.

Captain Castleberry, working with Metz LaFollette, completed a 15 yard pass to the pass-snagging end for the Buff's first touchdown, only coming from behind and passing with the conversion to lead the invaders 7 to 6. This was in the first half, and had not the gun caught the "Maroon and White" at the half-way mark another tally would no doubt have been made as Castleberry, after a long run, put the pill on the one-foot line.

Bufs Out-Pass LAAFs

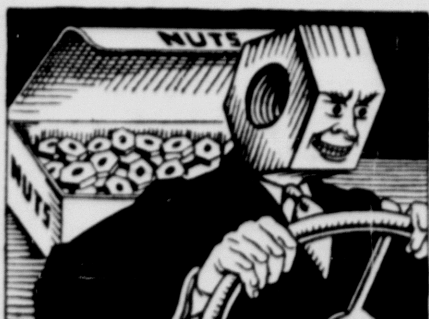

While every back-fielder and line-man was working well on the offense they were not at all out-classed in the defensive sphere. The LAAFs were set to march against the Buffs in the air, but the "Locals" surprised them so much in stopping the whole works that they were afraid to try it much. The opponents passed only once in the first half and no in the last half for a total gain in that capacity for 46 yards, while the home team passed all through the game for a total of 102 yards.

The Buffs' great defense came in handy, especially when needed, and that around their goal-line, to the extent that they stopped the opposing advance five times within their own 20 yard line.

But the most spectacular play of the evening was made not any too soon when Curtis Kelley ran 50 or more yards to reach pay dirt a distance only 37 yards away. This was the second touchdown for the Buffaloes.

It is not at all surprising that the game was an upset when we consider that the LAAFs gained 346 yards to the Buffs' 282; and that the Buffaloes were penalized four times for a total of 35 yards lost, while the visitors were penalized three times for a total of 15. One penalty was responsible, perhaps, for a LAAF touchdown, when a charging Buffalo charged through and roughed the kicker, causing a 15 yard penalty and the starting of a touchdown march. Furthermore the "Pilots" made 18 first downs to the Buffs' 14.

In the kicking department the

home defenders kicked three times for a total of 82 yards, while the guests kicked only one time for 40 yards. Bledsoe did the booting that counted, when he converted two good ones to influence the score to read only two points greater in favor of the Buffs.

All in all, considering the team from Lubbock, paced by Dixon, the All-American candidate, Williamson, Nickels, Walthall, Castle, Bennett, Nickels, and others in the backfield, with the fine cooperation of the linemen, it was a game that will go down in W. T. history; that having occurred on the night of Nov. 3, 1944 A. D. with a final score of 14 to 12 in favor of the West Texas Buffaloes.

Hill and Condron Guest Speakers at Executive Meet

President J. A. Hill and Dr. S. H. Condron, head of the Government department, were among the speakers at the fall meeting of the Panhandle School Administrators' Association at Amarillo, Saturday morning. Others who attended from Canyon were Superintendents J. B. Speer of the Canyon Public Schools and F. E. Savage of the Demonstration School. Dr. A. M. Meyer and Mrs. T. V. Reeves.

More than half of those present at the meeting were graduates of West Texas State College.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. LOOK FORWARD . . . to a World of Peace

Today, America pays tribute to her fighting men of both wars!

The heroes of World War I live in our hearts yet. We have placed our soldiers of today beside them in a place of honor and set aside a day in which to remember and honor the brave men at Chateau Thierry, to praise the deeds of the soldiers at Argonne and the battle of the Marne. This November 11 they are joined by the fighters of the Philippines, bloody Tarawa, North Africa, and once again France . . . two generations of Americans in a war for liberty.

The white crosses of war are signposts to peace. The sacrifices of our men in war have always been made to bring their country peace and happiness regardless of the cost to themselves. They have covered America's name with a blaze of glory, kept for us the liberty past generations strove to win and preserve. These are the men we honor today, the ones for whom we observe a minute of prayerful silence. They died with the belief in their fellow countrymen strong in their hearts, knowing that we would carry on where they left off, not letting them down for a second.

The SOONER the victory the MORE boys who will come home. That great day is coming and soon. All over America every whistle and bell that has a voice will shout the news, every mother that has a son will thank God, and every citizen of the world that loves Democracy will be free once more. It will truly be a great day. Stirring martial bands will hail the returning heroes as they march down Main Street, a lump will rise in everyone's throat as they recognize their sons and their neighbors' sons. To hasten the joyous day—let's pray, let's work and let's buy Bonds.

Americans know that this is a fight to the finish. Why leave it up to OTHER Americans to win? Play an important part in the big fight.

You'll want to be able to tell your service-men that you really helped. Be proud to say . . . "I bought more than my share of bonds!"

Gertrude Miller and Lt. Vance W. Albers to Wed

Mr. and Mrs. Henry Miller announced the approaching marriage of their daughter, Gertrude, to Lt. Vance W. Albers at an informal dinner party in their home Sunday for the families of the honored couple. The wedding is scheduled for the latter part of this month when Lt. Albers finishes training at Roswell, N. M.

Miss Miller graduated from Canyon High School in 1940, she then attended W. T. for one year. She has held a civil service position in Washington, D. C., where she has been associated with the Army Air Corps Headquarters as a private secretary for the past 2½ years.

Lt. Albers has been in the service since December 1941, serving 18 months in Alaska from where he transferred to the Air Corps, returning to the states in June 1943. He received his wings and commission

in August of this year at Marfa, Texas. He is now at Roswell, N. M. awaiting transfer to B-17 co-pilot training.

Those present included the honored couple, Emil Albers, Mr. and Mrs. Geo. Albers, Phyllis, Alan, Marvin and Bruce Albers, Clara Miller, Mrs. Adolph Kampen, Betty Ann Miller, Bob Albers and Pfc. Richard Fennen.

MISS RICHARDSON TO HAVE WESLEYAN GUILD MEETING

The Wesleyan Guild of the Methodist Church will be guests of Miss Moss Richardson at Rest Cottage next Tuesday evening, at 8 o'clock.

A nominating committee composed of Miss Olive Schramm, Mrs. Robert Orton, and Mrs. W. W. Nicklaus will make its report.

Miss Richardson will have charge of the program with Mrs. J. S. Long, Mrs. C. W. Foote, and Mrs. Jimmie Holston assisting.

Mrs. Ruth Wiseman Cobb and two children from Brownfield spent last week in the parental J. A. Wiseman home.

MRS. BABER HAS WEST SIDE H. D. CLUB TO AUTUMN TEA

Home Improvement Achievement Day was held by the West Side Home Demonstration Club in the lovely home of Mrs. Pat Baber Nov. 1 when she entertained with an autumn tea.

Chrysanthemums, roses, fall leaves, berries and nuts made attractive decorations throughout the entertainment suite.

Mrs. L. D. Winn played "Home Sweet Home" to open the meeting. Mrs. Baber gave a report of her work during the year.

During the business session the club presented Mrs. Baber with a set of crystal salad plates and Mrs. C. L. Thompson presented her with a picture.

Mrs. J. J. Wright and Mrs. Bradley Burrus, who were in the house party, directed amusing and interesting games and stunts, following the business meeting.

At the tea hour the members and special guests were conducted to the dining room where Mrs. R. A. Burrus, the incoming president, presided over the tea table.

A handmade linen cut work table cloth covered the table from which mulled cider was served from a pumpkin punch bowl. The bowl was set in a bed of fall vines, berries and nuts and flanked with candles in apple holders. Miniature pumpkins made of cheese and mint leaves placed on ritz crackers formed part of the decoration and were an item of the menu which consisted of individual cakes, sandwiches, salted nuts and olives.

Guests for the evening were Mr. and Mrs. C. L. Thompson, Mrs. L. Byars, Mrs. T. C. Gooch, Mrs. Fred Standley, Mrs. Anthony, Mrs. G. W. Cox, Mrs. W. I. Wester, Mrs. S. J. Burrus, and Miss Patterson; members, Mrs. J. W. Carter, Mrs. E. N. Zachery, Mrs. L. D. Winn, Mrs. Bradley Burrus, Mrs. A. K. Hefner, Mrs. Lena Tuck, Mrs. Minnie Fewell, Mrs. E. W. Bourn, Mrs. Lavert Avert, Mrs. J. W. Bourn, Mrs. J. E. Hunter, Mrs. Ray Metcalf, Mrs. J. B. Hager, Mrs. J. J. Wright, Mrs. R. A. Burrus and the hostess, Mrs. P. H. Baber.

The next meeting will be with Mrs. E. N. Zachery, Nov. 15.

MRS. BYRD HONORS MRS. AVENT WITH SHOWER

On Wednesday evening, November 1, Mrs. Roy Byrd entertained in her ranch home with a miscellaneous shower to honor Mrs. Donnie Avert, nee Betty Harwood. Mrs. Jozack Byrd and Mrs. Jack Anderson were assistant hostesses.

As the guests arrived Mrs. Avert opened the numerous gifts and displayed the lovely crystal, china, linen and blankets on a large lace covered table and the bookcase mantels.

Guests were greeted by the Mrs. Byrds and guided to the guest book by Mrs. Anderson.

Miss Ellen Sanders entertained with accordian numbers.

Mrs. W. L. Avert, Sr., poured spiced tea from a beautiful silver tea service which was set on a lace covered table. Individual cakes decorated with pink and blue icing roses and salted nuts were served.

The centerpiece was gorgeous pink roses from the hostess' garden. A border of crossed flags surrounded the flowers. Flanking the centerpiece were exquisite silver candlesticks with tall tapers. The candlesticks were the silver wedding anniversary gift of Mrs. Roy Byrd.

More than forty guests were present and more than twenty others sent gifts.

CENTREVIEW H. D. C. MEETS WITH MRS. DELL ZACHRY

On Nov. 4 members of the Centreview Home Demonstration Club met with their home improvement demonstrator, Mrs. Dell Zachry.

Mrs. Ross from Green Haven Club gave a very interesting account of her trip to the short course in Austin.

Mrs. Zachry reported upon the renovation of her kitchen which project had been her undertaking for home improvement. She and Mr. Zachry did the work in canvassing, papering, painting the woodwork and building a cabinet to make a more modern kitchen.

Refreshments of cocoa, cookies, jello whipped cream and nuts were served to Mrs. Ross, Mrs. Pat Allen, Mrs. Serena Bryan, Mrs. E. J. Bauer, Mrs. Hollis Shipman, Mrs. E. W. Schaeffer, Mrs. A. E. Wise, Mrs. Charley Bauer, Mrs. S. F. Sharpes, Mrs. J. W. Wesley, Miss Lou Ella Patterson and the hostess.

The next meeting will be with Mrs. Fred Bauer, Nov. 18.

Speer Talks About Schools at Rotary Luncheon Tuesday

Supt. J. B. Speer was in charge of the Rotary Club Program Tuesday. He talked on public education, and the part the Canyon schools were playing in this program.

"Education—a mighty force in the world" was the subject of a folder which he distributed in observation of American Education Week. The folder described the method by which the power of education in America should be used to develop our country, and to build a better world.

The philosophy of education in the Canyon schools was discussed. The big undertaking in the school system is to accept each child as he is and give assistance, using appropriate means to develop the child. Many illustrations were given as to the treatment of children who were trying to do work in the wrong grades of school. Mr. Speer stated that each child could not receive the kind of training to which he was entitled under the present system. The school is understaffed in order to give proper individual treatment.

The general purpose of education is to give: self reliance; human relationships; economic efficiency; civic responsibility.

Graduates Tell of Arch at Yale University

Mr. and Mrs. Charles Reeve of New Haven, Connecticut visited friends on the campus Thursday. Mrs. Reeve was Marjorie Wilkerson, music major of the class of '40. Mr. Reeve was a science major, class of '37. Mr. Reeve is now chemist for the Goodrich Rubber Company, and Mrs. Reeve is employed by a federal housing agency.

Among the pictures which they were showing friends on the campus was one of the arch at the Walter Camp Stadium on the campus of Yale University. Among the colleges whose names appear on the memorial arch is West Texas State College. The name is there because this college made a contribution to the fund which erected the arch in memory of America's greatest football coach and physical education advocate.

Mr. and Mrs. Reeve have been visiting members of their families in the Panhandle area. They were to leave Saturday to return to Connecticut.

Mrs. J. A. Hill has been confined to her bed by injuries received last Sunday when she fell. No bones were broken, but she was badly bruised.

Mrs. R. A. Terrill has returned from Pittsburgh, Pa., where she spent several weeks at the home of her daughter.

Mrs. O. L. Means from Paris, Texas and Mrs. Ira Sanford from Dallas are visiting with Mrs. Worth A. Jennings, Sr.

Mr. and Mrs. Holland and daughter spent Monday night and Tuesday at Post.

Mr. and Mrs. Earl Davis and children were dinner guests Sunday of Mrs. Mary Burtz.

Mrs. Wallace R. Clark is visiting her daughters in California.

Standley Attains 1944 Majesty

**Hallowe'en Booths Collect
\$626 as Net Proceeds**

As a climax of the P-T. A. Hallowe'en carnival Tuesday night, October 31, Frances Standley, freshman candidate, received the crown which dubbed her Canyon High School Queen of Hallowe'en for 1944.

Clifford Burtz escorted the winning candidate, while other members of the court were: Princess Nancy Wilson, senior candidate, escorted by Prince Don Standley; Princess Johnnie Frances Wallen, junior, and Prince Ray McDonald; Princess Louise Tuck, sophomore, and Prince Dick Milford; Princess Mary Lee McGeehe, eighth grade, and Prince Gerald McDuff; Princess Marilyn Small, seventh grade, and Prince Albert Craig.

Net total for the entire carnival was \$626.71, and the Press Club, sixth grade and second grade booths won first, second and third prizes, respectively. Sponsored by the Press Club, the contest for queen brought in \$241.50, while the candy sale by the sixth grade took in \$52.00 and the second grade cake-walk netted \$47.30.

"On behalf of the other P-T. A. members and myself, I'd like to thank everyone who helped to make the carnival the grand success it was, including townspeople, the students and faculty of the schools," said Mrs. W. W. Nicklaus, president of the P-T. A.

THE IDEAL SCHOOL

What is your idea of an ideal school? The summing up of this idea would be obedience, dependability, courtesy, cooperation, and interest, or in other words good citizenship.

Are you to be depended upon? Do you bring up your assignments on time? If a student forgets to bring up his work or doesn't bring it up for other reasons, there is just one more zero in the grade book unless the lesson is made up.

What was your grade in citizenship? To have good citizenship, a student should be obedient in carrying out the teacher's plan for good behavior.

A courteous student will be liked much more than a discourteous one. Courtesy not only applies to elders, but also to fellow-students. Consider the feelings of others, always.

To be cooperative in high school is to be obedient, dependable and punctual in all classes.

School officials and faculty members all have a big job to do, and if every student does his part, this job will be easier and the whole school can work together as a unit.

All of these qualities should interest the students. If each is trying to do his share in co-operating with the teachers and student body, our school will come nearer to being an ideal school. Canyon High School has all of these characteristics now, so let's see that it continues to keep them.

"So you met Alice today?"
"Yes, I hadn't seen her for ten years."
"Has she kept her girlish figure?"
"Kept it? She's doubled it."

Teachers Choose Annual Officers

Members of the Randall County unit of the Texas State Teacher's Association met Monday, November 6, for an annual meeting in the science building at West Texas State College.

Former president, Mrs. John Davis, had charge of the meeting until new officers were elected. They are as follows: Miss Novella Goodman, president; Mrs. D. F. Sanders, first vice-president; Dr. T. M. Moore, second vice-president; Mrs. L. M. Cousins, secretary; Mr. W. F. Haggard, treasurer, and Mrs. John Davis, official delegate. Mrs. Davis will attend the T. S. T. A. house of delegates meeting for district 9 held the 4th Thursday in November.

Short talks on educational problems were given by Dr. A. M. Meyer and Dr. J. A. Hill.

Grade Notes

Mrs. R. R. Rigby entertained Mrs. Mitchell Jones' 5-J room with a surprise for her daughter, Virginia, who reached the age of 10 on October 31.

A Hallowe'en theme was carried out, with refreshments of a big birthday cake iced in pale yellow, apples, and punch.

Miss Elva Fronabarger, Dorothy Elizabeth Neblett, and Rita Jo Crow were guests at the party.

Johnny Dean Burleson, student from Mrs. Robert Orton's first grade who has been ill almost from the beginning of the school year with an infected leg, was surprised with a fruit shower from his classmates last week.

Mrs. A. L. Walsh's fifth grade is preparing a Thanksgiving play to be presented on the day before the schools are dismissed for the holidays.

Maps and the earth about us is the new unit of study started this week in Mrs. Mitchell Jones' fifth grade.

Unknown Bust Holds Students' Curiosity

Where did it come from? This inanimate object with two eyes that has been viewing students, teachers, and visitors in the halls of Canyon High School for an unknown number of years.

From information gathered it seems this bust of William Shakespeare was last traced down in 1922-23. Since then the plaque has been torn off and there is no way of knowing where or when it made its entrance into the world of curiosities. Maybe someone who reads this can tell us the history of this proud-looking character who is now covered with dust and has initials of many a student who has passed through the doors of Canyon High School carved into his chest.

To clear this mystery is our main objective. So help us unveil once more this worthy contribution of some unknown class.

Congress Slates Special Service

During a Student-Faculty Congress meeting, Thursday, November 2, members discussed various school activities and passed a motion to appoint student receptionists.

After a discussion on school dances, the members made preparations for an assembly in the near future when the officers and members of the Student-Faculty Congress will take the oath of office.

Officers previously elected are: Betty Ann Miller, secretary; Don Standley, parliamentarian and sergeant of arms; Tommy Thompson, fire chief and Sandy Oliver, assistant fire-chief.

Doctor: Where in the world did you get such a terrible case of indigestion?
Patient: My wife tried to hold my love through my stomach.

"Does your husband play cards for money?"
"I don't think so. But those who play with him do."

Sadies Entertained Yokels

Wayne Davis, do those adoring looks you cast upon Dorothy Sanders in English I mean anything? From the tales of your Hallowe'en date, I'd say they do.

At the crowning of the queen rehearsals a fire seems to have started between Mary Lee McGeehe and Gerald McDuff. A likely romance, no?

The Eiland-Burtz romance is in full bloom. Here's hoping it doesn't wither as fast as it bloomed.

Velta Speer and Ray McDonald got along very well Hallowe'en Night. Tell me, is your romance of last year overflowing into this year?

"WHAT'S THAT?" was the question by Mrs. Sanford's two-year old daughter as Joyce Sanders entered the English IV with her hair plaited.

Obviously the girls of Canyon High are not satisfactory to John (Romeo) Gill, as he has attracted one of Cactus Lodge's beauties.

GUESS WHO?

Her hair is brown.
Her eyes are green.
She's the talk of the town.
She was a Hallowe'en Queen.
She likes fried chicken.
Even better than silk.
She's always tickin'.
And she just loves milk.
When asked her color she smilingly said
Out of all of the colors she liked red.
Seven and a half is the size of her shoe.
After reading all of this can you GUESS WHO?

Espanoles Display Artistic Ability

On Friday afternoon the Spanish I Club members gathered during their regular class period for a business meeting at which time a report made by the carnival committee revealed that over ten dollars was cleared on the side show and fortune telling booth at the Hallowe'en Carnival.

Spanish motion pictures was the subject of a brief discussion by the movie chairman, Frances Gooch. After giving the Pledge of Allegiance and singing two songs, "Rancho Grande" and "Donde a Donde" the period was devoted to drawing pictures of individuals of the club on the blackboard and discussing the pictures in Spanish.

**CANYON
TAILORING CO.**

Sadie Hawkins is nearly over and all the "Sadies" have certainly taken advantage of the situation plus all the yokels really having had a wonderful time at the expense of the girls (and we do mean expense). This year some of the surprises of all times came out of who some of the ambitious cuties took out. In fact some went so far as to start Friday night with the football game. Then there was the "shoot-em-up" on Saturday night, church Sunday night, the show Monday night, supper Tuesday night, the show again Friday and then a long drive in the country on Saturday night. Quite a week of good times, eh, folks?

Rules laid down at the first of the week and supposedly carried out are:

Boys should give the girls a chance to ask for dates.

Girls shouldn't ask the same boy twice.

Deadline for staying out is midnight.

Girls should really show the boys how a date should be conducted.

Boys should remember that it costs money to have dates so don't make the girls dig too deep into their pocketbooks.

Females paying, opening doors, and doing the usual male courtesies hasn't been too infrequent during the "backward" days. In fact, one comment was that if the girls are the men for the week that they should have to shave at least twice during the period. Did you do it girls (that is—the men of the week)?

Boys will be girls so they've been giving out with these excuses.

"I washed my hair today and just can't do a thing with it."

"I just don't have a decent thing to wear."

"I'll have to go home and ask Mother."

"Mother said I'll have to be home by 10:30, or else."

A question to the boys—"Didn't you have a swell time?"

Volunteers Greet School Visitors

"Information" is now the first word which greets visitors to Canyon High School. Through the efforts of the Student-Faculty Congress, receptionists for Canyon High School serve as informants and guides. For the convenience of visitors an information desk has been placed in the main hall.

Beginning with the seniors, students from the library will serve as receptionists over a two week's period. Each period will find a new person occupying this position.

Duties of the receptionists are to receive visitors, show them through the building, find the person whom they wish to see, and to aid them in any way. All visiting persons are requested to sign the register.

Serving for the first two weeks are James Lair, first period; Mary Nell Morris, second; Nancy Wilson, third; Muriel Faye Pope, fourth; Fawn Rogers, fifth; and Wilma Schuette, sixth.

The manufacture of paper from wood pulp, which has revolutionized the publishing industry, was begun in Herkimer, N. Y., in 1866.

Rumor has it that maybe the Eagles will tangle with some college boys the latter part of this week. All that can, be there to back up the team!

That young hopeful, Charles Wright, seems to be showing up plenty O. K. in practice. If he follows in his brother's footsteps, he has a good start, he should be a real basketball player.

Last Friday night some of the Eagles had a pleasant surprise. While they were obtaining nourishment in a local drug store, who should enter but a busload of Dumas band students. Needless to say, many old acquaintances were renewed and some new ones made. Some fun, eh boys!

Seniors Will Give Needed Donations

In regular semi-monthly meetings seniors of Canyon High School decided to give the prizes left over from the Hallowe'en Carnival to the Red Cross for the needy. Harold Erwin, president, appointed the following people to make suggestions for the assembly program to be held Friday, November 10: Don Standley, Betty Brown, Margaret Lair, Billy Thurman and Tommy Thompson. Vice-president, Betty Brown, took charge of the program and Ellen Sanders read "My Paw Said So." Later the entire class played "Buzz."

Members of the Blue magazine-selling group of the junior class are giving the Red Team a party Thursday night, November 9. The class is going to sell Eagle Pins for 25 cents each.

With Sadie Hawkins as their theme sophomores planned a party to be held sometime this week and reported on the carnival booth.

Winners who were acknowledged in the freshman class are Geneva McDougal, who won first place in the Fire Prevention Theme Contest, and Frances Standley, who was elected Hallowe'en Carnival Queen. Max Bellah was chosen song leader. A social committee composed of George Milford, chairman; Austelle Burrus, Clifford Burtz, Wayne Davis, Martha Jean Avent, Dorothy Sanders and Valeta Haines was selected. Elmer Mickey sang "Maud, the Kicking Mule."

Singing held the spotlight of the eighth grade class meeting which they devoted to learning the school song. Frankie Sneed sang "Swinging on a Star" and Jimmy Lindsey sang "Paper Doll."

Seventh graders planned a party for November 22, at which time they will either skate or play Thanksgiving games.

"Hurray!" yelled the rabbit as he came running out of the brush-fire. "I've been defurred."

McDonald Wins Highest Award

**Junior Campaign Reaches
Sales Totaling \$754.50**

Sales totaling \$754.50 completed the count of the junior class magazine campaign, ending Monday afternoon with the Red Team, under the leadership of Ray McDonald, winning with a score of \$441.75 to the Blue Team's score of \$312.95.

Ray McDonald, who personally sold subscriptions amounting to \$261.00 will receive the grand prize, a Bulova wrist watch.

Each student whose sales amounted to \$25.00 will be offered a free subscription and all who sold over ten subscriptions will get a certificate of award. Mrs. Lee Sanford, class sponsor and general manager, and the two captains, Bobbie Lee Graham and Ray McDonald, will each receive a certificate of leadership signed by the vocational director of the Curtis Publishing Company and the school officials.

Surpassing their \$500.00 goal for Curtis subscriptions by \$18.00 the class of twenty-two students will receive 50% of this total as well as 30% of the \$236.50 on other magazines.

The money earned will be used for the Junior-Senior Banquet in addition to other activities during the year.

Did You Know That . .

The Juniors are selling Canyon High School Pins as a money-raising scheme for the Junior-Senior Banquet.

Joy Dean Eubank, Crosbyton; Charlotte Glover, Happy; and Harry Reeves, Hereford are new students in Canyon High.

The student body stands at attention each morning as the flag is raised and the National Anthem is played.

"Friends were made to lose" must be a true saying as Canyon High is losing Mrs. Lee Sanford. Oh how we hate to give her up! For those of you who did not have her in class or get to know her very well, here are a few facts about this favorite person. She is charming, sympathetic, well . . . just plain wonderful. Ye old pen runs dry for lack of enough good adjectives to describe her and that beckoning personality. You will have to be satisfied with the brief but concise summary that Mrs. Sanford has everything from A to Z.

**NO CERTIFICATE NEEDED
FOR THESE "SPARES"**

Keep spare lamp bulbs on hand in your home to replace burnouts as soon as they occur. Most electric dealers now have bulbs in all common home sizes. You need no points, coupons or certificates to buy them—never did, in fact. So don't be without light these dark fall days and longer evenings.

It costs you little to have light in your home where you need it. You can be sure you are getting all you pay for if you keep your home lighting equipment in shape this way:

Begin by putting the RIGHT SIZE bulb in each lamp or fixture. Then keep the shades

and diffusing bowls, as well as the bulbs, free of dust and dirt.

Use white or light-lined shades on your lamps, to reflect more usable light.

Move lamps closer to points of use, to shed more light directly on the work. You can often increase their usefulness by rearranging furniture so that one lamp will serve two people.

Your eyes need the correct amount of diffused light to perform difficult seeing tasks like reading or sewing without strain. Now is the time to see that your home lighting equipment can furnish proper illumination.

John Temple Graves Will Present Scheduled Lyceum Program

Illustrious Speaker
Will Address Public
on November 16

One of the ablest interpreters of the new South, Mr. John Temple Graves will come to West Texas State College on November 16 to be the speaker of the second Lyceum program of the year. Mr. Graves belongs to that new school of Southern writers and speakers who are trying to get us to adjust ourselves intelligently to the renaissance of industry in this section.

Like his father, an illustrious speaker, he holds his audience enthralled, proving that he is a shining example of the blessing of heredity in his talents for oratory and beautiful composition of the English language. Mr. Graves loves the South he knows so well. He has an enormous acquaintance with writers, teachers, economists, and men with specialized knowledge. He is on the editorial staff of the Birmingham Age-Herald, and has been since 1929. He conducts the daily editorial column, syndicated to Southern newspapers. He has organized and lead Southern campaigns against everything antagonistic to the South.

As a speaker, Mr. Graves probably possesses the best control of the English language of any speaker on the American platform today. He is a realistic historian and economist. He presents a number of conclusions and suggestions based on careful study of Southern tradition and qualities, and they are courageous, penetrating, and original. John Temple Graves is consistently aware of this and he bears a deep understanding and love of the South.

Everyone is invited to attend the Lyceum program to be given in the auditorium of the Administration Building. Activity tickets will admit any student.

V-NEWS

Clear Panes

Clear windows add much to the convenience and comfort of the home, especially on dark fall and winter days, and often save on lighting bills.

To avoid dingy windows and yet save work and time, the easiest and quickest methods of keeping windows sparkling should be used. Frequent dusting of windows keeps them from needing washing so often. Every few weeks go over windows with soft tissue paper, brush off outside sills and frames. Removing all screens before winter not only saves the screen but helps keep windows clean outside, as rain beating thru dusty screens soils windows.

Avoid soap in washing windows. It streaks the glass and makes the job difficult. Use one of the solutions sold for that purpose or warm water containing a little household ammonia, also alcohol, or vinegar. Alcohol and ammonia help "cut" greasy dirt on the pane. Vinegar helps loosen such dirt as road dust and smoke.

For washing us a chamois or soft lintless cloth. Chamois has the advantage of absorbing moisture readily and leaving no lint. Dip the chamois or cloth in the solution, squeeze dry, then wipe the window from the top down. If very soiled rinse the chamois and wipe again. Dry with a clean dry cloth or chamois.

Bright clear weather speeds the work by making it easy to see whether the glass is clean.

After finishing the window, wipe the sash, sill and frame so dust will not blow back on the glass.

Every 17 seconds (day and night) a vitally needed car is junked

THE DANGER LEVEL in number of automobiles in use is rapidly approaching. Out of 30,000,000 cars, 6,000,000 or one in every five have already disappeared from the highways. And of those remaining, more than 5,000 every day go to the scrap heap!

Says the Office of Defense Transportation: "Private automobiles must perform three-fourths of the essential local wartime transportation service... Street cars, buses, and rapid transit lines can haul only a small share, approximately 25 per cent of the essential load."

So Care For Your Car For Your Country by enlisting the aid of your Phillips 66 Service Man. He is ready and waiting to help you.

At least once a week, give him the opportunity of checking air

pressures... inspecting for nail holes, cuts, and bruises... examining tires so that he can warn you when re-capping is imperative.

At the same time, he will inspect the battery, air filter, and cooling system. And at regular intervals be sure to have him lubricate every friction point specified by the maker of your car... and make either the seasonal or the recommended every-sixty-day oil change.

Every Phillips 66 Service Man shares with you the responsibility of guarding that part of America's mileage which remains in your car and tires. So get Phillips Car-Saving and Tire-Saving Service at any Phillips 66 Shield... the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.
